

NGOZI “GUZZY” CASH

UGC CREATOR • SPOKESPERSON • VIDEO EDITOR

Voiceover Artist • Content Strategist • Storyteller

**Content with polish, personality
and a reason to buy.**

I create persuasive, platform-ready content for beauty, travel, luxury, technology and service brands - from the first idea to the final edit.

NASSAU, THE BAHAMAS • AVAILABLE REMOTELY

nCash242@gmail.com

Meet Guzzu

A Bronx-born creator based in beautiful Nassau, The Bahamas.

I bring an engaging on-camera presence, a clear English-speaking voice and real business experience to every collaboration.

I explain what a product does, why it matters and how its benefits fit naturally into everyday life.

A distinctive Caribbean advantage

Authentic island scenery and firsthand tourism knowledge for travel, resort, swimwear, skincare and luxury campaigns.

What brands get

- Warm, credible delivery
- Mature lifestyle perspective
- Business-minded storytelling
- Professional customer-service instincts

Creator Niches

BEAUTY + SKINCARE

Mature beauty • skincare routines • hair • fragrance • wellness

TRAVEL + LUXURY

Hotels • yachts • excursions • restaurants • destinations

TECH + AI

Apps • SaaS • AI tools • websites • e-commerce • tutorials

BUSINESS SERVICES

Customer service • virtual office • marketing • sales

LIFESTYLE + MUSIC

Fashion • entertainment • music • everyday lifestyle

VOICE + STORY

Voiceover • narration • testimonials • spokesperson content

Especially well suited to brands seeking an experienced, polished creator with both lifestyle and business credibility.

From Concept to Final Cut

One creator. One clear process. Content delivered ready for the platform.

01

CONCEPT + SCRIPT

Hooks, talking points, storyboards and calls to action.

02

CREATE

On-camera delivery, product demonstrations and voiceover.

03

EDIT

Captions, transitions, music, motion graphics and pacing.

04

DELIVER

Vertical, square or landscape files formatted for each platform.

Editing capabilities

TikTok • Instagram Reels • YouTube Shorts • raw-footage editing • photo-to-video animation • voice syncing • platform-ready exports
